

Run For Albania...

Running to Bring Food,
and His Word, to Albania

Welcome to "Run For Albania"! We are the Russell/Linderman Orthodox mission team that has been serving in Albania for the last four and a half years. On October 21st, God willing, George will run the **Detroit Free Press Marathon** to increase awareness for Orthodox missions and to raise funds for our mission here. One of the main parts of our mission is the Orthodox Soup Kitchen which we operate in Tirana, Albania, under the supervision of the Archbishop Anastasios. The Soup Kitchen has operated since Jan. 2005. (see more at www.runforalbania.org)

Our goal is to use this marathon as a way to highlight the mission work of OCMC mission teams in Albania, and to **give people an opportunity to participate in this work through their prayers and support.** For those of you that have supported us before, you know that we consider you partners in our work here and that your support is the only reason we are able to stay and continue to **"Go forth and make disciples of all nations"**.
